✓ PantryTrackers Recipe API has successfully been registered.

Registration Details

Thank you for registering your application! To avoid any errors during implementation, we recommend that you review the following app registration details before continuing.

Continue

OAuth2

When making an OAuth2 access token request, your client_id and client_secret are required in the authorization header. You must use one of the following redirect URIs when authenticating a customer using the Authorization Code grant type.

> ⚠ Your client_secret can only be access by request once you click Continue. To keep your client secret secure, either close this window or navigate to a different page once you have saved your app registrations details.

Name	Details
client_id	pantrytrackersrecipeapi-d23654b76f0d05bac4a087189a6e54342295776451649859689
client_secret	**LnjCJKWh6eyTtiCOszXrj48lFaIARd8L5iYeNLFr** ⚠
